1.4 UNIVERSITY AT A GLANCE

1.4.1 MISSION OF THE UNIVERSITY

Gour Banga University has been established by the state Government of West Bengal in 2008 vide West Bengal Act XXVI of 2007 in the ancient land of “Gour Banga” as a multi-disciplinary, research led institute of global stature in order to provide the world-class education to students from all strands of society of three underdeveloped district of West Bengal i.e. Malda, South Dinajpur & North Dinajpur. The University aims to disseminate and advance knowledge and skill by providing instructional, research and extension of facilities for learning and promotion of:

- Innovations in education leading to restructuring of courses, new methods of teaching, training and learning, blended learning, continuing education and such other nodes and integrated and wholesome development of personality.
- Studies in various disciplines.
- Inter disciplinary studies\national intimation, secularism, social equity and engineering of international understanding and ethics.

Knowledge is the path to freedom. Political freedom; freedom from repression and coercion; freedom from want and hunger; freedom to seize opportunities and realize dreams; freedom of expression and personal development; indeed the full range of freedoms that characterize the human ideal, all are made possible, strengthened and deepened by the acquisition and application of knowledge. The University of Gour Banga is contributing and will continue to contribute to the process of creating and disseminating knowledge, cementing the path through which individuals and communities both within and outside India can realize and exercise these universal freedoms. The University is dedicated to the discovery, development; organization, preservation, dissemination, and application of knowledge in a wide range of fields with the purpose of expanding the scale and scope of human understanding and contributing to the betterment of the world. Committed to excellence in teaching, research and service, the University will serve the higher education needs of this Gour Banga and the world beyond.

The motto of the University as engraved on its emblem is “Charaiveti”. It is an aphorism from the Aitareya Brahmana, which means “Go on”. A powerful and potent word, in true Upanishadic style it exhorts us to move on and keep going. So also the University. From its very inception, it dedicated itself for the betterment of its student.

The University has a strong emphasis on leadership, responsibility and service to society, including a focus on the skills required to manage and lead public institutions, commercial enterprises and organizations in civil society. Its interdisciplinary focus is preparing its students not only to specialize in specific disciplinary areas but also to develop a broad-based learning foundation that incorporates a range of academic disciplines including the sciences and social sciences, humanities, and the education. Supporting, fostering and encouraging a range of research, scholarship and creative expression and the integration of teaching and research are vital aspects of the University’s mission.

1.4.2 A BRIEF ABOUT OUR UNIVERSITY

IQAC

Director : Professor Amit Bhattacharya

National Service Scheme

Co-ordinator : Professor Sauren Bandyopadhyay

1.5 ACHIEVEMENTS OF THE UNIVERSITY IN LAST ONE YEAR

Academic Aspects:

- The process has begun for the successful implementation of CBCS at both the undergraduate and postgraduate levels.

Administrative Aspects:

- The 'Statutes' was approved by His Excellency, the Governor of West Bengal. The formation of University 'Court' and 'Executive Council' have also been completed. It has been functioning well.
- The IQAC, UGB works efficiently in its aim. One of the good sign of its functionality is very least pending CAS of the faculty members.
- University will try to fill in all the officer posts soon in order to smooth functioning the official activities.

Infrastructural Aspects:

- The construction works of two separate hostels for boys and girls, and the academic language building are going on in full swing. The buildings will be inaugurated very soon. Completion and beautification of the Boundary Wall with works of remodelling the front gates are being done.
- Renovation and modification of the University Guest House are being done with the financial help from the Government of West Bengal.
- CCTV surveillance has been arranged in the University Campus.

- One health unit has been within University premise.
- Match stick road has been constructed for upgrading the internal communication in campus.
- Swerage system has been developed campus well drained.
- Construction work for New Guest house building is in progress at the campus of the University.
- Well-equipped car parking zone has been constructed within the campus

1.6 UNIVERSITY EXECUTIVE BODIES

The University has certain regulating bodies responsible for its functioning which include the University Council and the Statutory Committees, like the Finance Committee etc.

Executive Council (As on 26. 12. 2017)

The role of the Executive Council is to exercise policy direction and control to ensure the establishment, monitoring and achievement of the University's mission and goals. This includes oversight of the University's finances and budgetary processes; the creation and monitoring of academic programs and academic standards, goals and objectives; the establishment of academic and research units; oversight of campus policies and investment strategies; conducting institutional performance evaluations; compliance with the University's statutory and regulatory responsibilities; liaison with external agencies and political bodies; and hiring and evaluating the ongoing performance of the Vice Chancellor, the Registrar and other senior University administrators.

1.10 OFFICE OF THE FINANCE OFFICER

The University has developed a Standard Account System for the smooth conduct of the financial management. University Budget is divided into five major heads:

- Maintenance (Non-Plan)
- Development (Plan)
- Salary
- Departmental
- Misc.

Accounts are maintained through computerized Financial Accounting System Tally ERP 9. Under the direct supervision of the University Executive Committee, and empowered Finance Committee periodically monitors expenditure and utilization of the funds meant for various development projects/schemes including research projects. The Finance Committee also resolves any problems encountered while running the above projects and schemes. Recurring expenditure of the University is economized as far as possible. All types of funds received are initially deposited to the General Fund Account of the University. After the review of incurred and estimated expenses, the excess amount is deposited in short-term deposits scheme for generating interest income. The Installation of e-tendering procedure has already been recommended by the Finance committee and placed before the Executive Committee for approval.

Various Departmental Budget-proposals are discussed and evaluated in the Budget Sub-Committee before being recommended to the Finance Committee. Financial provisions are made to implement the University's Perspective Plans. Instruments/equipment is usually purchased through open tender with warranty. Agencies are engaged on AMC basis through proper financial procedure as laid down by the appropriate bodies /authorities for the maintenance of sophisticated instruments. All transactions are made through cheque in the University. Separate Bank accounts are maintained for Endowment, NSS, RUSA Grant, Centralized admission(s), Sports, General Fund Receipt, Expenditure, Pension Fund, various research projects etc.

The financial statement and all the financial transactions have been audited by the Principal Accountant General (PAG), West Bengal. The audited report (PAG) for the year 2017-2018 is available in the UGB. There are sixteen numbers of non-teaching staffs including ten numbers of ad-hoc contractual staff are working in the finance department. The Statement of Accounts of the University is completed. The UGB is receiving Non-Plan Non Salary Grant on COSA and Non COSA head for employees including pensioners are receiving regularly from the Department of Higher Education, Govt. of WB. Beside these the UGB is also receiving the Plan-Grant for construction of building at the campus of the University at Malda from the same funding authority. But all other academic and administrative activities are going on from the general fund of the University constituted and collected from various fees from the

students and colleges affiliated to the University of Gour Banga. The University has also an endowment fund and some fixed deposit at the branches of PNB and IB situated at Malda.

Finance Officer Md. Jahir Hossain

This year the University received grant from central and state Govt. are as follows:

Year	2017-2018					
Nature of Grant	Salary, Non Plan COSA	Salary, Non Plan Non COSA	Non Plan Non Salary	Plan Grant, Construction of Building	Other Fees, Bank Interest etc.	Fixed Deposit

Sri Binay Krishna Halder, Audit Officer

1.11 OFFICE OF THE CONTROLLER OF EXAMINATIONS

The University has adopted semester system for teaching and continuous assessment scheme of evaluation in the P.G. courses. In each of the subjects, the unit tests (continuous evaluation) are held followed by end-semester examination. However, in most of the U.G. courses of the University's constituent colleges, the examinations are taken on yearly basis. The University has recently implemented Optical Mark Recognition (OMR) method for its compulsory courses at the U.G. level. A percentage of the total marks of the electives and honours will also be evaluated through OMR.

The University has a very good reputation on publishing its results especially in its Under Graduate Courses as well as in its Post Graduate Courses. The final year's result of the U.G. Honours courses are published within 30 Days of the final examination. The Academic Calendar is provided by the university well in advance for every year. The schedule for conducting the examinations, evaluation and declaring results is achieved as per academic schedule of the university. There is hardly delay for declaration of results. The publication of results is uploaded on the website. The University follows complete transparency in the evaluation process. All the examinations (including end-semester) results are made known to the students / concerned research scholars immediately after the evaluation. The University has the system of rechecking and revaluation. The University also has provisions to employ external examiners in its evaluation process.

Confidentiality:

- Examiners are recommended by the BOS of the concerned Departments.
- Coding of the Answer Books is being done in number of courses.
- Roll Numbers are allotted to the candidates who differ from the Faculty numbers to ensure confidentiality.

Transparency:

- In case of any grievance from the Examinee, the Re-evaluation of the answer books are open in each course/paper.
- Compulsory Scrutiny of all the answer books is done by other scrutinizers appointed for the same.
- Head Examiners ensure that the evaluation of all Answer Scripts is done as per norms.
- Student can obtain the copy of answer book through RTI.

STATEMENT OF THE RESULTS OF P.G. EXAMINATIONS

Successful candidates in PG & Professional Courses 2017

1.12 OFFICE OF THE INSPECTOR OF COLLEGES

A brief highlight of work of IC's Department:

The office of the Inspector of Colleges was established in the year of 2011 for the purpose of proper planning and integrated development of the colleges and to provide the college necessary help and guideline. The office of the Inspector of Colleges serves as the vital link among UGC, the University of Gour Banga, the Colleges and the Department of Higher Education, Govt. of West Bengal.

The function of the Inspector Colleges and its Department are to advise the University on all matter relating to development of affiliated Colleges. The development of Inspector of Colleges act for rising of standard of learning, teaching and other activities of the Colleges.

Aim and Objectives of the Office of the Inspector of Colleges:

The aim of the development is to strive to make maximum number of Colleges of the jurisdiction of the University of Gour Banga to get maximum development in every aspect.

- ❖ To proactivate the teachers to pursue their higher studies under the faculty development programme.
- ❖ To proactivate the college to impart quality education.
- ❖ To enable colleges to pursue academic excellence through quality teaching, research and publication.
- ❖ To proactivate the colleges to inculcate right values among students.
- ❖ To proactivate the college to promote leadership qualities among students.

- ❖ To proactivate the colleges to produce socially sensitive citizens and hasten the process of creating a knowledge society.

Affiliated Colleges / Institutions:

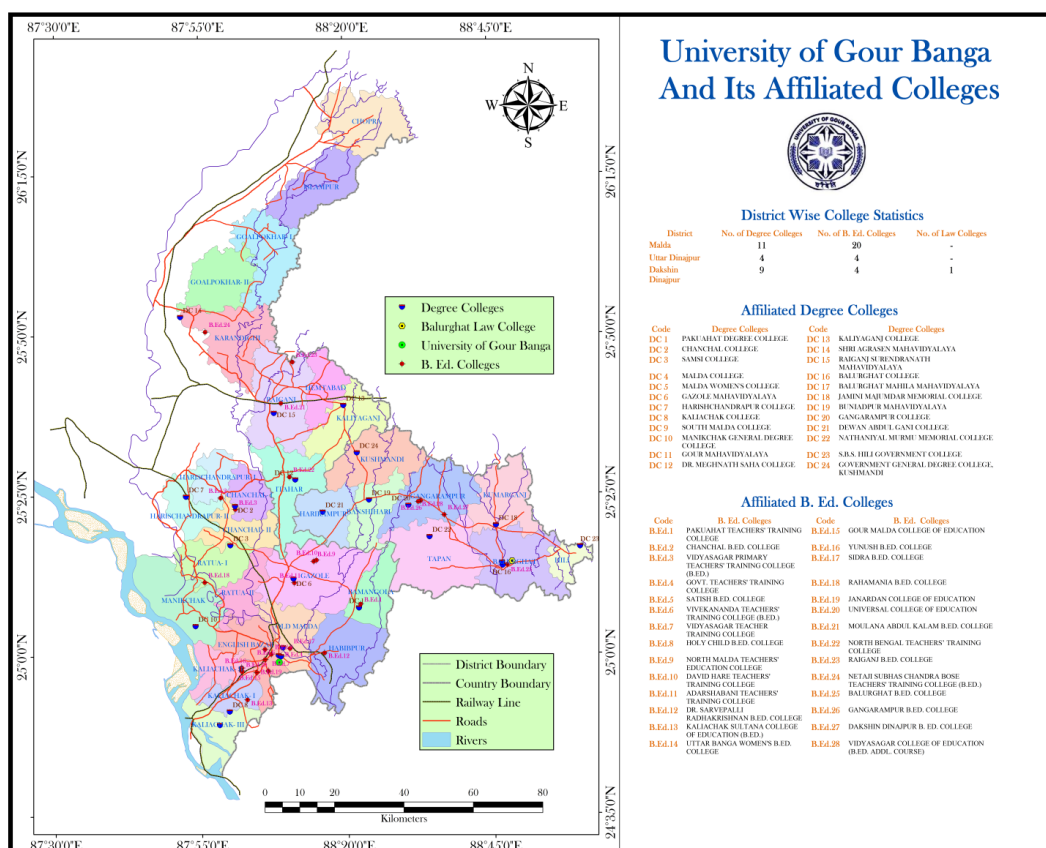

Type of institute	Number
Total no. of Affiliated Colleges / Institutes / Centre	25
Number of General Degree Colleges	25

1.13 OFFICE OF THE LIBRAIAN

The University Library system was initiated in the year 2008 after the establishment of University of Gour Banga in the year 2008. The present library building was inaugurated in the year 2014. Now the Central Library is a two storied building.

Central Library was established in order to meet the academic and research need of the Teachers, Research Scholars, the Students and the other staff members. In a lively University campus, the Central Library serves as the hive of academic activities for students, scholars, staffs and faculty members in pursuit of excellence in their respective area of studies. Central Library provides books, journals as well as current information on various topics to fulfil the needs of the University Community. The Library also sets the goal of establishing a world class library by integrating information sources and services across disciplines in one umbrella by building a sound and comprehensive collection of both conventional and electronic resources on all branches of knowledge with a robust hi-tech infrastructural facilities and to redesign and revamp the systems and services in efficient, effective , and dynamic ways tailoring to meet the myriad information needs of students, research scholars, and faculty members of the university pin-pointedly, exhaustively and expeditiously anywhere on campus and beyond 24x7 hours for the sake of promoting academic excellence.

At present a separate floor is allotted for central library on the campus. It has an Advisory committee known as Library committee to look after the different functionaries of the Central Library as well as the departmental libraries.

Office of Librarian (Dr. Biswajit Das)

Significant Initiatives

- Poet Suniti Ghosh museum is opened on 19.02.2017 at Central Library

1.14 OFFICE OF THE DEVELOPMENT OFFICER

The University was established in 2008 in the backward region of Malda, West Bengal to cater to the academic needs of the population of the three border districts of Malda, North Dinajpur and South Dinajpur. It is an important catalyst in a process of social change among educationally backward people. University of Gour Banga has already scaled important heights by acquiring the accreditation from the NAAC. University has swiftly emerged as a beacon of higher education and research. The University of Gour Banga started its academic journey from a modest temporary accommodation at Malda College with seven Post Graduate Departments scattered to four different Colleges in Malda. With the construction of the University Campus and commencement of studies in 11 more Post Graduate Departments including Lab-based ones, the University has gone from strength to strength within the short span of time. The University has also participated in the National Institutional Ranking Framework (NIRF), conducted by the MHRD, Govt. of India.

Situated in the University's Administrative Building, the Office of the Development Officer plays a crucial role in driving the institution's growth and excellence. This office partakes major role in assessing the University authority for addressing the developmental needs of the University and liaising with the University Grants Commission (UGC) and other funding agencies to implement various plans, programs, and schemes. The Development Officer assists the Registrar and other authorities in preparing academic plans and projects, compiles statistical reports, and evaluates developmental proposals. Additionally, the office oversees correspondence for numerous prestigious fellowships. It also assists the faculties for different research projects. With a strong focus on technology and computer-oriented tasks, the office also manages major assignments such as All India Survey on Higher Education, National Institutional Ranking Framework, and various scholarships and fellowships.

The Development Officer Dr. Rajib Patitundi

A. Major activities and achievements

AISHE & NIRF: The University has participated in the All India Survey on Higher Education (AISHE), National Institutional Ranking Framework (NIRF), conducted by the MHRD, Govt. of India.

B. On Going Research Projects

West Bengal Fellowships		
Sl. No	Name of the Fellowship	No. of Research Scholars Benefitted
a.	Swami Vivekananda Merit-Cum-Means Non-NET Fellowship	35
Central Fellowships		
a.	NET-JRF	10
b.	NFSC	10
c.	MANF	4
d.	CSIR	2

The above-mentioned numbers of Research Scholar have been linked with different fellowships. The Research Scholar get all kinds of support from the Office related to his/her fellowship, which will continue for a minimum of 2 (M. Phil) – 5 (Ph.D.) years or submission of his/her dissertation (whichever is earlier).

1.15 OFFICE OF THE UNIVERSITY ENGINEER

University of Gour Banga is one of the two new state universities founded in the year 2007 and started its functioning in 2008. The construction, till date, has done through the funds received from the West Bengal State Government. The Planning and Development Committee facilitates the optimal utilization of grants for infrastructure development, particularly the construction of buildings and other large infrastructural components. The office of the University Engineer is in charge of routine maintenance and acts in a supervisory capacity for new large construction projects. The final approval for all large infrastructure projects is given by the university's decision-making bodies viz the Building Committee, the Executive Council and the University Court.

At present there are 14 nos. of Ad hoc contractual staff including 3 nos. of Junior Engineers are working in the Engineering department, University of Gour Banga. The total building plan of the University has divided into 2 phases (i.e. Phase-I and phase-II). The vetted estimated cost of the first phase is Rs. 83.81 cr. The first phase is going to be completed very soon with the financial grant received from the department of Higher Education, Government of West Bengal from time to time. The Construction agency is Mackintosh Burn Ltd. The agency was engaged with proper procedure after getting approval from the department of Higher Education, Govt. of West Bengal.

University Engineer Sri Anirban Goon

The highlights of the work are as follows.

Completed work (Phase-I):

Construction of 1) Boundary wall, 2) Main gate , 3) Administrative building, 4) Science building-1, 5) Electrical substation building, 6) University Guest house (old), 7) Internal roads, 8) Humanities building-1, 9) Central Library building, 10) Two wheeler & Car parking and allied Electrical works for above completed work.

Extension Centres and Services

2.1 OFFICE OF THE PROGRAMME CO-ORDINATOR NATIONAL SERVICE SCHEME

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community linkage.

The programme aims to inculcate social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity.

Major objective of this unit was to extend free service to the society considering some of the social issues which need to be addressed. Blood donation camp, different awareness programmes like Dengue awareness programme, traffic awareness, safety measures from river bank, tree plantation, cleaning programme etc.

The NSS programme has been introduced at the University of Gour Banga since 2010. It has become a part and parcel of the academic system. The major objective ever since has been to involve the students in the society of which they are an integral part. The entire programme of the NSS revolves round the students where in the NSS volunteers put the students in a single thread in order to implement the NSS objectives.

Professor Sauren Bandyopadhyay (Programme Co-ordinator)

Activities completed by NSS unit

Tree Plantation Programme

50 numbers of trees were planted at different places of University Campus in presence of forest official, Malda district and Hon'ble Vice Chancellor, UGB on 06.06.2018. Almost 40 students were participated in this programme.

Observation of Environment Day:

One seminar cum awareness campaigning for environment conservation was conducted on 5th June, 2018. Two resource persons (1) Dr. Abhijit Sarkar and (2) Dr. Mitali Das delivered their valuable speech. Total 65 participants were there from different Departments.

Observation on World Environment Day, 5th June, 2018

Awareness Campaign for Dengue at Parbatta Village

The NSS unit of this university conducted a door-to-door awareness campaign about dengue in Parbatta Village. Nearly 50 students from various departments participated in the program.

Blood Donation Camp:

On May 8, 2018, the NSS unit of this university organized a blood donation camp. Approximately 15 units of blood were donated by NSS volunteers and faculty members.

Other Activity of NSS Unit during the Year 2017-18

- [1] On March 16, 2018, a cleaning initiative was held for the village roads and drains in Parbatta. This included an awareness campaign where participants engaged with villagers and gathered their views, as well as distributing mosquito nets to families in need. Additionally, a documentary on dengue was demonstrated.
- [2] On March 22 and 23, 2018, a traffic awareness campaign took place. An awareness program focused on safety measures for riverbank erosion was conducted in Panchanandapur on March 26, 2018. Lastly, a campaign against child marriage was organized in Dakshin Baluchar on March 29, 2018.
- [3] Campus Cleanliness Initiative on March 21, 2018.

Raising awareness among children about cleanliness and ways to prevent mosquito bites

Cleaning programme at UGB Campus

2.2 INTERNAL QUALITY ASSURANCE CELL (IQAC)

One of the emerging challenges faced by any higher educational institution is the development, application and maintenance of quality benchmarks in all its key performance areas. To institutionalise the process of quality sustenance and enhancement, the Internal Quality Assurance Cell of the University of Gour Banga was established in the University in 2013. The Cell was formed for ushering in the era of total quality management by working out intervention strategies to enhance the quality in the institution in totality. The Directorate works for assuring all the stakeholders naming students, parents, teachers, staff, funding agencies and society in general for the accountability of institutions for their own quality and probity. To improve the academic and administrative performance of the university, the IQAC has been actively working with a focus on parameters developed by NAAC.

Objectives and Functions

- [1] To undertake intervention strategies for encouraging self-evaluation, accountability and continual improvement in all the systems and processes of the University for student and stakeholder satisfaction.
- [2] To take steps for periodic assessment and accreditation of the University under NAAC.
- [3] To collaborate with other institutions, governing bodies, private sector, government, alumni, civil society etc for improvement of quality and brand image of the University.
- [4] To conduct trainings, lectures, workshops, seminars, conferences, panel discussions, group discussions, management games, off site trainings, symposia or any other suitable measure for the development of human resources of the University.
- [5] To establish quality benchmarks for the affiliated colleges and evolve mechanism for ensuring conformance to Quality.

Highlights of works in this session

- [1] The Internal Quality Assurance Cell (IQAC) organised a national level Seminar in Collaboration with the Department of Education & Paulo Freire Institute, Kolkata on “A Qualitative Study of Paulo Freire’s Concept of Critical Pedagogy and its Relevance in the Present Indian Context” during 21/09/2017 to 22/09/2017 at Rishi Aurobindo Conference Hall.
- [2] The Internal Quality Assurance Cell (IQAC), Kaliachak College organized in collaboration with the Internal Quality Assurance Cell(IQAC), UGB on “Moral Value and Ethics in Social Life” on 11 & 12 December, 2017.

Future Plan

- [1] To enhance collaborative research among the departments and to take initiatives for inter-institutional collaboration.
- [2] To introduce institutional fellowship for research students.
- [3] To enhance outreach programmes for the member of the backward community.

2.3 UNIVERSITY MEDICAL UNIT

The University has recently started a Medical Unit. Renowned doctors of the locality are available on campus between 12 noon and 4 pm on all working days.

The Following are the activities of the UGB Medical Unit:

- [1] Medicines for common ailments are being provided to the students and other university communities.
- [2] First aid facilities are being provided for the patients having injury.
- [3] Annual sports, and other important events take place at the campus, the unit extends its service and co-operation during the period of these events.
- [4] Per month approximately 200 patient visited the Medical Unit.
- [5] World Health Day was observed through this unit.

2.4 Report of the SC ST OBC and Minority Cell

The Cell has performed the duties as given by the university. It also arranged NET/SET coaching classes for the students belonging to SC/ST/OBC and Minority Students of the university weekly on Wednesday except holidays or vacations and during the period of examinations. The Complaint Redressal Committee has received no complaint from any corner either from faculty/staff or from students was received during this session for settlement.

3.5 CHEMISTRY DEPARTMENT

The Department of Chemistry is a full-fledged Department of this University having five Permanent Faculty Members and forty students in each semester. In the Chemistry Department at University of Gour Banga, we seek to explore and to expand the frontiers of modern chemistry. Department of chemistry offers excellent education and strive to provide a complete, yet inspiring and supporting environment for our student, faculty and visitors. The Department has a very strong commitment for obtaining and maintaining state-of-the-art instrumentation facility. Chemistry Department is planning to tie-up with industrial laboratories to get opportunities for the development of new technologies and Academy-industry entrepreneurship. We provide an opportunity for exploring job to our students by inviting various pharmaceutical companies for campus drive program. Presently two DST sponsored research project (Around Rs. 63 lakhs) are going on at the department with two full time research scholars.

The Department of Chemistry offers several seminars/special talks throughout each academic year. Speakers from various institute of our Nation visit and give talks in all areas of chemistry and interact with our students. In addition, Department of Chemistry Conducted two days Workshop funded by the three Science Academies of India; namely **Indian Academy of Sciences**, Bangalore, **Indian National Science Academy**, New Delhi and The **National Academy of Sciences**, Allahabad, entitled “**Advances in Chemistry Education and Research**” on 23th & 24th July 2015 at the Department of Chemistry, University of Gour Banga, Malda where more than 150 faculty members/researcher/students have participated from various institutes. Department of chemistry also conducted **National Symposium in Chemical Science** held on March 2016, funded by University of Gour Banga, Malda.

3.6 COMMERCE DEPARTMENT

The PG Department of Commerce of this University UGB started its M.Com course from January 2012 onwards. At present there are two full-time faculty members and ten students in each semester. Teachers and Students of this Department take parts in various Academic Programmes. The department has also added a new feather in its crown by starting Ph.D. programme in the year 2012.

News Coverage on workshop on ICT

The PG Department of Computer Science started its academic journey in 2011 with 20 students. There are two assistant professors in the department: Ms. Debasmita Saha and Mr. Debaditya Barman. Ms. Debasmita Saha is the present Head of the department. Department managed to set up one project lab and one programming language practice lab. Students are working on Data Mining, Natural Language Processing, Image Processing and Android app development projects. The department organizes students' seminar in each semester to enhance their domain of knowledge and build up their communication skills. Department is working hard to enhance the quality of education and encourage local students to join this technical stream.

3.8 ECONOMICS DEPARTMENT

The Department of Economics at the University of Gour Banga's School of Social Science is a premier centre in northern West Bengal, delivering high-quality economic education and opportunities to rural students. The department offers post-graduate and Ph.D. programme in Economics. Adapting to the evolving academic landscape, the department has proactively updated its curriculum in a timely manner to align with the nation's changing educational requirements, in tandem with UGC regulations. The MA/M.Sc program develops advanced expertise in a wide range of economic disciplines. The Ph.D. program fosters critical thinking and analytical skills in evaluating economic problems and includes mandatory coursework in specialized theoretical, methodological, and empirical aspects of economics, followed by original dissertation research that contributes to the fulfilment of degree requirements.

The department started its expedition with two faculties on January 19th, 2012. At present, the Department has four faculty members with an intake capacity of 100 students in each semester. The department features a well-stocked library, offering a diverse collection of books across various economics disciplines, ensuring students have access to vital resources for their research and studies. Many alumni have gone on to secure positions in undergraduate colleges, schools, and banks.

3.9 EDUCATION DEPARTMENT

The Department of Education, UGB, had started its academic journey from the very beginning of the University. Initially it had only three faculties and 50 students in one semester. Now it is a full-fledged department with six faculties and an intake of 75 students in each semester. The Department offers P.G. courses with four special papers - Educational Technology, Teacher Education, Guidance & Counselling and Special Education. The Department has already completed coursework for its first batch of Ph.D scholars. The aim of the department is to prepare students to serve humanity while achieving academic excellence.

3.10 ENGLISH DEPARTMENT

The Department of English is one of the premier departments of the University. The department is supported by a committed team of professors who aim at effectively delivering a course in English, which is renowned for uniformly maintaining its standards of academic excellence over the years. The Department offers M.A., M. Phil and Ph.D. programme in English. The syllabi of the courses cover a wide range of texts, authors, movements, literary trends, theories and schools of criticism. The final semester of the post-graduate programme offers courses in specialized areas. Strategies of teaching include lecture method, audio-visual techniques, student seminars, term papers and class discussions. At present the Department of English operates with 5 full-time teachers, and enlists 165 students and 19 research scholars.

[1] **Name of the Department:** Department of English

[2] **Year of establishment:** 2008

[3] **Existing programmes:** M.A., Ph.D.

[4] **Examination System:** Semester System

[5] **Faculty profile with name, qualification, designation, area of specialization**

Name	Qualification	Designation	Specialization
• Prof. Amit Bhattacharya	M.A., Ph. D	Professor, HOD	New Literatures in English, Marginality Studies, American Literature, British Poetry
• Sri. Sabuj Sarkar	M.A.	Assistant Professor	American Literature, Queer Studies, Gender Studies, Literature and Folklore
• Dr. Samipendra Banerjee	M.A., M. Phil, Ph. D	Assistant Professor	Indian Drama in English, Theatre and Performance Studies, Gender and Sexuality Studies
• Sri. Bibek Adhikary	M.A.	Assistant Professor	American Literature, Post-war British Fiction

3.11 DEPARTMENT OF FOOD AND NUTRITION

The Food and Nutrition Department of University of Gour Banga started its journey in 2017. The Food and Nutrition department plays a vital role in ensuring the well-being of individuals and communities. The Food and Nutrition department is responsible for promoting healthy eating habits, preventing nutrition-related disorders. The department's primary goal is to educate people about the importance of a balanced diet and provide them with the knowledge and skills to make informed food choices. By prioritizing food and nutrition, we can build healthier communities and improve overall quality of life. Initially, the department started its course with guest faculty.

3.12 GEOGRAPHY DEPARTMENT

The post graduate Department of Geography of the University of Gour Banga started its journey since January, 2012, with four faculty members and forty students under semester system. At present the department of Geography is consisting six faculty members and forty students in each semester. The department of Geography offers not only PG Course but also M.Phil. and Ph.D. Programme. The department is well equipped with RS & GIS Laboratory, Soil and Environment Laboratory, Research Laboratory for M.Phil. and Ph.D. students, Smart Class Room and a Library. Department offers four Special Papers viz. 1) Geoinformatics 2) Fluvial Geomorphology 3) Advanced Geomorphology 4) Geography of Development and Under Development and 5) Geography of Social Wellbeing.

3.13 HISTORY DEPARTMENT

The Department is running two courses at present, first semester and third semester. Total seventy two students have been enrolled in this current academic year in the First Semester course and eighty two students in the Third Semester course. In 2014, the Department successfully completed Ph.D course work and started the Ph.D programme. Apart from academic achievements, the Department has conducted one international conference on the history of modern Bengal. Scholars from India and Bangladesh took part in the conference and exchanged academic ideas. The Department took initiatives in promoting the history of this region and conducted series of lectures on relevant issues. The students of the Department made their mark in different co-curricular activities including sports and cultural programmes.

3.14 DEPARTMENT OF LAW

In response to the interest expressed by the local community in law and the legal profession, the administration of Gour Banga University resolved to establish a Law Department to provide higher education in this discipline. Consequently, the Department of Law was founded in 2016, initially appointing two permanent Assistant Professors and accommodating an intake of 20 students. The Department is committed not only to providing advanced legal education but also to fulfilling the aspirations of the local population in Malda.

3.15 DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE

The Department of Library and Information Science is one of the newest departments at the University of Gour Banga, Malda. Established in 2016, it was inaugurated by the former Hon'ble Vice Chancellor, Prof. Gopal Chandra Mishra. Since its inception, the department has focused on providing education, training, and supporting research in the field of Library and Information Science.

3.16 DEPARTMENT OF MASS COMMUNICATION AND JOURNALISM

This platform is designed to equip students with the knowledge, skills, and expertise essential for success in the dynamic fields of Mass Communication and Journalism. Our mission is to cultivate creative, critical, and ethical communicators who can make a positive impact on the world. The primary goals of this department include developing skilled and ethical media professionals, fostering critical thinking, creativity, and innovation, preparing students for successful careers and lifelong learning, and contributing to the advancement of Mass Communication and Journalism.

3.17 MATHEMATICS DEPARTMENT

The Department of Mathematics, University of Gour Banga currently has five Faculty members. The Department provides two Academic Programs: M.Sc. and Ph.D. The intake of the M. Sc. Course is 75 students per year. The students are admitted to M.Sc. course purely on merit basis. The Department starts conducting Course Work for Ph.D. students under the new regulations of U.G.C. Teaching load is fairly good, typically a Faculty member teaches three or four courses simultaneously, and possibly two Labs in a year. The Faculty members combine their commitment to research with a devotion to teaching. Our Faculty members are committed to mentoring and working closely with students, emphasizing the development of critical thinking and problem solving skills as part of broader disciplinary and interdisciplinary proficiencies. We pride ourselves on providing students with the opportunity to engage in hands-on educational experiences through participation in faculty-led seminars/projects and apply academic concepts, strategies, and techniques to serious Mathematical problems. Some of our Faculty members have recently achieved prestigious and highly selective Research Fellowships, and all are committed to offering the best possible teaching in the fascinating field of Mathematics. The Faculty members are nationally and internationally known in their fields for their scholarly work. Faculty research interest spans a wide range: from abstract theory of Mathematics to applicable problems of immediate interest to industry. Current areas of research can be broadly classified into the following categories: Differential Geometry, Fluid Dynamics and General Topology. The faculty interacts with several national and international bodies, research centers and Universities in the capacity of organizers, external experts, editors, referees and reviewers for research journals in Mathematics in addition to participating and lecturing in conferences.

3.18 PHILOSOPHY DEPARTMENT

The Department of Philosophy of the University of Gour Banga was established in 2012. The first day of starting classes of the department was 19th January, 2012. It was held in two rooms of Satya Chowdhury Stadium, Malda, rented by the university, along with two Assistant Professors: (1) Dr. Sukumar Chandra Roy, (joined on 14.01.2012) and (2) Purbayan Jha, (joined on 16.01.2012) and 70 students. So, the day was historically important for the department. In the next month i.e. in February, 2012, Dr. Ruchira Majumder joined the department as Associate Professor of Philosophy. With these three faculty members the department started its journey. After 1 semester year, the department had shifted to the main campus of the university in the Dr. A. P. J Abdul Kalam Bijnan Bhavan and finally to Acharya Binoy Kumar Sarkar Kala Bhavan, the Humanities Building of the university at the end of the year 2015. In the meantime, Dr. Jhadeswar Ghosh joined as Associate Professor in September, 2014. The department has also got two more faculty members by the fag end of 2015. Now the total strength of faculty members is five (5). The department offers a syllabus which stimulates the students to think critically on the philosophical problems. The key philosophical areas of study such as epistemology, logic, ethics, metaphysics, philosophy of language are studied both from Indian and Western perspectives, as well as modern Indian thinkers, aesthetics, continental philosophy, philosophy of mind and many more are there in the syllabus with updated developments in those areas. The faculty members are actively engaged in research works and eminent philosophers are invited as visiting faculties to deliver special lectures which enable the students to have sufficient exposure to the domain of knowledge.

3.19 PHYSICS DEPARTMENT

The post graduate Department of Physics of the University of Gour Banga started its journey since January, 2012, with three faculty members and twenty students under a two-year-four-semester process. The faculty members have furnished the whole PG course and have built up general physics laboratory, electronics laboratory, optics laboratory, general computer laboratory and special computer laboratory which are running satisfactorily. Besides, arrangement of more experimental setup is under progress to run the laboratories in full swing. The department arranges guest faculties affiliated to renowned universities for extended lectures on some of the topics.

3.20 DEPARTMENT OF PHYSIOLOGY

The post graduate Department of Physiology of the University of Gour Banga started its journey from August 2016, with two faculty members and PG students under a two-year-four-semester process. The faculty members have furnished the whole PG course and have built up general practical/research laboratory and cell culture unit, which are running satisfactorily. Research activity is the backbone of this department since its journey. The main goals of the department are to promote teaching and research with special emphasis on human health related issues and to provide exposure to the students towards updated research activities and training.

3.21 POLITICAL SCIENCE DEPARTMENT

The Department of Political Science, University of Gour Banga is well-known for its highly effective faculty and ground-breaking research in the field. In 2012, with the help of approximately 70 Post-Graduate students, the Department was founded. The department's expansion has occurred at the same time that Political Science has broadened its scope beyond a study of institutions and law to encompass a wider range of social sciences, including economics, philosophy, culture, and society at large. This has allowed for a more relevant and effective examination of politics, with a particular emphasis on the Indian context.

The department has been regularly organizing several Seminars and workshops and it also provides M. A. M. Phil., and Ph.D. degree programs. The Department is devoting its research efforts to the cross-disciplinary theme of political thought and theory, Democracy, Development, Gender, International relations, Public Administration, Political Sociology, Local Administration and Peace. It has been useful in linking traditional strengths across disciplines and subfields. Curriculum development within the Department of Political Science has made a significant contribution to the creation of domain knowledge.

We dedicate ourselves in advancing academic research and educational practices that increase the livelihood of our students' intellectual and social change, preparing them to become influential citizens who uphold the principles of social and gender justice and active citizenship.

3.23 SOCIOLOGY DEPARTMENT

The Department of Sociology began in the year 2012 with the initiation of M.A programme in Sociology. It is a two year programme consisting of four semesters. At present two permanent faculty members are running the Department. Visiting faculties from distinguished universities in India are also invited to deliver lecture series in the Department. The course is designed to provide the students with the contemporary debates and developments in the field of Sociology.

3.24 ZOOLOGY DEPARTMENT

The Department of Zoology of this University was running with three faculty members, Dr. Shyamapada Mandal, Dr. Kaushik Chakraborty and Mr. Subhrajyoti Roy, until a new faculty Dr Anjali Rawani joined on March, 2016. The development and establishment of the Department, with its all mechanisms, is progressive and a plan wise, with a view to establish outstanding academic vibes at all the levels: teaching as well as research. This Department is equipped with some modern instruments for PG, M Phil and Ph D studies. One journal Biological and Biomedical Science Bulletin of the Department has been published, already with its second volume (proof stage). The work for admission into Ph. D (Science) research in the Department of Zoology as well as for registration in the same has been done for the very first batch. The M. Phil (Zoology) course has also been started with seven students in the first batch. One very important and emerging key feature of the PG Zoology study is to perform experimental project works with their study in special papers: Entomology, Immunology and Microbiology, some of the outcome of which have already been published in scientific journals of repute.
