1.4 UNIVERSITY AT A GLANCE

1.4.1 Mission of the University

Gour Banga University has been established by the state Government of West Bengal in 2008 vide West Bengal Act XXVI of 2007 in the ancient land of “Gour Banga” as a multi-disciplinary, research led institute of global stature in order to provide the world-class education to students from all strands of society of three underdeveloped district of West Bengal i.e. Malda, South Dinajpur & North Dinajpur. The University aims to disseminate and advance knowledge and skill by providing instructional, research and extension of facilities for learning and promotion of:

- ❖ Innovations in education leading to restructuring of courses, new methods of teaching, training and learning, blended learning, continuing education and such other nodes and integrated and wholesome development of personality.
- ❖ Studies in various disciplines.
- ❖ Inter disciplinary studies\national intimation, secularism, social equity and engineering of international understanding and ethics.

Knowledge is the path to freedom. Political freedom; freedom from repression and coercion; freedom from want and hunger; freedom to seize opportunities and realize dreams; freedom of expression and personal development; indeed the full range of freedoms that characterize the human ideal, all are made possible, strengthened and deepened by the acquisition and application of knowledge. The University of Gour Banga is contributing and will continue to contribute to the process of creating and disseminating knowledge, cementing the path through which individuals and communities both within and outside India can realize and exercise these universal freedoms. The University is dedicated to the discovery, development; organization, preservation, dissemination, and application of knowledge in a wide range of fields with the purpose of expanding the scale and scope of human understanding and contributing to the betterment of the world. Committed to excellence in teaching, research and service, the University will serve the higher education needs of this Gour Banga and the world beyond.

The motto of the University as engraved on its emblem is “Charaiveti”. It is an aphorism from the Aitareya Brahmana, which means “Go on”. A powerful and potent word, in true Upanishadic style it exhorts us to move on and keep going. From its very inception, it dedicated itself for the betterment of its student.

The University has a strong emphasis on leadership, responsibility and service to society, including a focus on the skills required to manage and lead public institutions, commercial enterprises and organizations in civil society. Its interdisciplinary focus is preparing its students not only to specialize in specific disciplinary areas but also to develop a broad-based learning foundation that incorporates a range of academic disciplines including the sciences and social sciences, humanities, and the education. Supporting, fostering and encouraging a range of research, scholarship and creative expression and the integration of teaching and research are vital aspects of the University’s mission.

1.17 OFFICE OF THE LIBRAIAN

Central Library plays a vital role in furthering the academic and research mission of University of Gour Banga and facilitates creation and dissemination of knowledge. The range of services offered by the library is comparable to the best libraries. The University Library system was initiated in the year 2008 after the establishment of University of Gour Banga in the year 2008. The present library building was inaugurated in the year 2014. Now the Central Library is a two storied building. Central Library was established in order to meet the academic and research need of the Teachers, Research Scholars, the Students and the other staff members. In a lively University campus, the Central Library serves as the hive of academic activities for students, scholars, staffs and faculty members in pursuit of excellence in their respective area of studies. Central Library provides books, journals as well as current information on various topics to fulfil the needs of the University Community. The Library also sets the goal of establishing a world class library by integrating information sources and services across disciplines in one umbrella by building a sound and comprehensive collection of both conventional and electronic resources on all branches of knowledge with a robust hi-tech infrastructural facilities and to redesign and revamp the systems and services in efficient, effective, and dynamic ways tailoring to meet the myriad information needs of students, research scholars, and faculty members of the university pin-pointedly, exhaustively and expeditiously anywhere on campus and beyond 24x7 hours for the sake of promoting academic excellence.

The library has a team of talented and dedicated officers and staff who perform their duties exceptionally well, and are always appreciated by our users for their intelligence, enthusiasm and honesty with which they serve them.

In order for the library to remain relevant and to attract large number of users, it has been planned to renovate the existing building, reorganize the resources and workflows and to create a variety of spaces and ambiance which our users will find extremely attractive and conducive for their work.

Office of Librarian (Dr. Biswajit Das)

Significant Initiatives:

- Reference service helps users to make full use of library resources and services. It provides necessary assistance to users in locating information or document of their choice.
- UGB Central Library has provides web-based access to its resources, students can access electronic journals and databases, supports on-line submission of theses and dissertations
- The LAN/ WI-FI facility in the reading area continues to attract users to bring in their laptops to have seamless access to print and electronic resources.
- Collection building is one of the important functions of the library that supports academic and research work of the students, faculty, staff and other users
- Collection and preservation of rare manuscripts of different branches of learning.
- E-library section is initiated with more than 70 computers with internet facilities.

The department of Mass Communication & Journalism, UGB, Malda

It's not a department, rather it's a platform where we meet, we teach....we learn and we earn.

This platform is dedicated for equipping students with the knowledge, skills, and expertise needed to succeed in the dynamic fields of Mass communication and Journalism. Our mission is to foster creative, critical, and ethical communicators who can make a positive impact in the world.

6. Career Opportunities:

- Journalism and media organizations
- Public relations and advertising agencies
- Digital media and content creation companies
- Broadcasting and film industries
- Government and non-profit organizations

7. Departmental Goals:

- To develop skilled and ethical communicators and media person
- To foster critical thinking, creativity, and innovation
- To prepare students for successful careers and lifelong learning
- To contribute to the advancement of mass communication and journalism fields

**** Join us in shaping the future of Mass communication and Journalism**
